

GP Sessions

GP working hours are called sessions. These sessions are added together to make up the working week. There are 10 sessions in one week.

GP sessions in our practice are as follows:

Dr K Birrell - 7 sessions

Monday, Tuesday, Wednesday all day. Thursday morning.
(Included in these sessions will be a joint clinic and a tutorial with a Registrar)

Dr J Halpin - 6 sessions

Thursday and Friday all day
Wednesday' Community Integrated Teams

Dr M Romberg - 8 sessions

Monday, Wednesday, Thursday, Friday all day.

Dr C Scott-Batey - 8 sessions

Monday, Tuesday, Thursday, Friday all day (Included in these sessions will be a joint clinic and a tutorial with a Registrar)

Dr M Walker - 6 sessions

Monday, Tuesday and Thursday all day

As Herrington is a training practice, we also have two Registrar doctors working with us on a six month rotation, who will be available.

This may mean the GP of your choice may not be available every day of the week. Please bear this in mind when requesting appointments.
